FMCSA Summer Internship Graduate Students 2024

Description

Embark on a rewarding journey with the Federal Motor Carrier Safety Administration (FMCSA) Summer Internship Program for Graduate Students in 2024. This internship provides graduate students with the opportunity to contribute to the advancement of transportation safety, gain practical experience, and develop skills essential for a successful career in regulatory affairs.

Responsibilities

- **Policy Analysis:** Assist in the analysis of motor carrier safety policies, regulations, and legislative initiatives.
- **Research Support:** Contribute to research projects related to transportation safety, compliance, and enforcement.
- **Program Development:** Collaborate on the development and improvement of safety programs and initiatives.
- **Collaboration:** Work closely with FMCSA professionals and teams on projects critical to the agency's mission.

Qualifications

- Currently enrolled as a full-time graduate student in a relevant field such as public policy, transportation management, law, or a related discipline.
- Strong academic performance with a minimum GPA of 3.0.

Experience

- Previous coursework or internship experience in transportation, regulatory affairs, or a related field is advantageous.
- Familiarity with motor carrier safety regulations, transportation policy, or legislative processes is a plus.

Skills

- **Analytical Skills:** Strong analytical and critical thinking abilities.
- **Communication:** Excellent written and verbal communication skills.
- **Teamwork:** Ability to collaborate effectively with diverse teams in a regulatory environment.
- **Adaptability:** Flexibility to navigate various tasks and responsibilities within transportation safety.

Job Benefits

- **Industry Exposure:** Contribute to advancing transportation safety on a national scale.
- **Learning Opportunities:** Access to training sessions, workshops, and professional development programs.
- **Networking:** Connect with professionals in regulatory affairs and
