

LyondellBasell Summer 2024 Internship Program For College students

Description

Lyondell Basell internships are more than just a summer job – they're a gateway to the world of cutting-edge chemical innovation. As an intern, you'll have the chance to work alongside industry experts, participate in real projects, and contribute to our commitment to sustainability and excellence.

Responsibilities

As an intern at Lyondell Basell, you'll take on meaningful responsibilities from day one. Your tasks may include:

1. **Project Support:** Collaborate with teams to drive key projects forward, gaining exposure to various aspects of chemical manufacturing.
2. **Research and Analysis:** Conduct research to identify process improvements, cost-saving measures, and sustainable practices.
3. **Data Management:** Analyze data to make informed decisions and recommendations for process optimization.
4. **Safety and Compliance:** Learn and adhere to safety protocols and regulatory requirements, ensuring a secure working environment.

Qualifications

To qualify for a Lyondell Basell internship, you should meet the following criteria:

- **Enrollment:** You must be currently enrolled in a bachelor's or master's degree program in a relevant field such as chemistry, chemical engineering, mechanical engineering, or a related discipline.
- **Strong Academic Performance:** A solid academic record with a GPA of 3.0 or higher demonstrates your commitment to excellence.
- **Passion for Innovation:** Show your enthusiasm for the chemical industry and your desire to contribute to sustainable solutions.

Experience

While prior experience is not mandatory, it's a plus. Lyondell Basell values the following skills and attributes in their interns:

- **Communication:** Effective communication skills to collaborate with cross-functional teams.
- **Analytical Thinking:** The ability to analyze data and propose practical solutions.

Skills

- **Adaptability:** A willingness to learn, adapt, and thrive in a dynamic work environment.
- **Team Player:** A collaborative mindset and the capacity to work effectively in a team.
