M&G Summer 2024 Internship Program For Recent Graduate

Description

M&G is a leading international asset manager with a history spanning over 90 years. We have consistently delivered results for our clients, thanks to our talented and dedicated teams. Our internships are designed to provide you with a hands-on experience in the world of finance and investment management.

Responsibilities

As an intern at M&G, you will be an integral part of our team. Your responsibilities will include:

1. **Research:** Conduct in-depth research on financial markets, asset classes, and investment strategies to support our fund managers.
2. **Analysis:** Analyze financial data and trends to make informed investment decisions.
3. **Reporting:** Assist in preparing reports and presentations for internal and external stakeholders.
4. **Collaboration:** Collaborate with cross-functional teams to gain exposure to various aspects of our business.
5. **Learning:** Participate in training sessions and workshops to enhance your financial knowledge and skills.

Qualifications

To be considered for an M&G internship, you should:

- Be a current undergraduate or graduate student in a related field (e.g., finance, economics, business).
- Possess strong analytical and problem-solving skills.
- Have a genuine interest in the financial markets and investments.
- Demonstrate excellent communication and teamwork abilities.
- Show a commitment to learning and personal development.

Experience

While prior experience in finance or investments is a plus, it is not a strict requirement for our internship programs. We value potential, enthusiasm, and a willingness to learn.

Skills

During your internship at M&G, you will have the opportunity to develop and refine essential skills for a successful career in finance, including:

- Financial analysis and modeling
- Research and data interpretation
- Presentation and communication
- Team collaboration and networking
- Time management and organization
