## TECO Energy Internship Students Program 2024

### Description

Explore the energy industry and shape your future with TECO Energy's Internship Students Program for 2024. This program offers students the opportunity to gain hands-on experience, contribute to impactful projects, and develop essential skills within the dynamic and evolving energy sector.

### Responsibilities

- **Project Support:** Assist in the planning, coordination, and execution of energy-related projects.
- **Data Analysis:** Conduct research, collect and analyze data to support decision-making processes.
- **Collaboration:** Work with cross-functional teams to contribute insights and solutions to energy challenges.
- **Technical Support:** Assist in technical tasks, troubleshooting, and implementing innovative solutions.
- **Learning and Development:** Engage in training sessions and workshops to enhance industry knowledge and skills.

### Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in Engineering, Environmental Sciences, Business, or a related field.
- Strong academic performance and a passion for the energy industry.
- Excellent communication and teamwork skills.

### Experience

- Previous coursework or experience related to the energy sector is beneficial but not required.
- Familiarity with energy systems, sustainability, or environmental sciences is advantageous.

### Skills

- Strong analytical and problem-solving skills.
- Proficiency in Microsoft Office applications.
- Excellent interpersonal and communication skills.
- Ability to adapt to a fast-paced and dynamic industry.
- Eagerness to learn and contribute to the team's success.

### Job Benefits

- Competitive stipend and compensation package.
- Exposure to real-world projects and challenges in the energy industry.
- Networking opportunities with professionals in the field.
- Mentorship from experienced industry experts.
